**‘Yesterday I was clever, so I wanted to change the world.
Today I am wise, so I am changing myself.’ - Rumi**

Are you...

- professional willing to change your world through this ethical leadership initiative ?
- ambitious and looking to make a significant difference in today’s society?
- looking for ways to further explore your purpose, values and integrity?
- enthusiastic about going on this journey with inspiring people?

Join the ethical leadership initiative

Approach

The program will focus on ethical leadership issues in Africa. We will share case studies and stories, and engage the participants playful and illuminating ways. Together we will explore different perspectives, values and challenges, and become aware of the qualities of ethical leaders with upright attitudes and behaviours. This will initiate change in the lives of the participants, who will go out and deal with societal ethical challenges affecting Africa.

Registration closes October 27th, 2017
